

Batch[®]

Batch Opa! Gin

Opa! Gin is a celebration of Greek flavours including tomato, olive and oregano. These ingredients are balanced with other botanicals including lemon, peppers and orange, to create a herbaceous, savoury gin. Batch is a small craft distillery located in Burnley, a town in Lancashire County, which is located in North West England. The distillery produces a new innovative gin from unique botanicals each month. These innovations are typically released only once ever.
