

Kennay Farms Distilling Gin

Distillation is the balance of fine art and science. At Kennay Farms, we find this balance through creativity, innovation, experience, and continuous education. A superior gin is created by uniting the strong, familiar juniper flavor with added botanicals to find the perfect balance. We invite you to taste our gin for a softer juniper influence with hints of crisp coriander, lemongrass, and bitter orange balanced with orris root and a cracked black pepper finish. Each botanical was carefully selected and expertly steeped for specific periods of time for optimal flavor, freshness, and composure. The finish is incredibly smooth, with a lingering crisp, bright note.

Technical Details

ORIGIN: Illinois

TYPE OF SPIRIT: Gin

MASH BILL: Juniper berries, coriander, lemongrass, bitter orange, cracked black pepper, orris root

PROOF: 95

Tasting Notes

Smooth yet lively, dynamic botanical flavor paired with juniper berries punching through without overpowering, peppery spiced finish.
