

## Old Woodpecker Organic Swiss Single Malt Whisky

Langatun "Old Woodpecker" Organic Swiss Single Malt Whisky is a pure single malt whisky, which is produced only with the finest barley from controlled organic cultivation. The whisky production process is also carried out according to certified organic guidelines (ProCert, CH-BIO-038). The "Old Woodpecker" is matured in Chardonnay oak barrels, which gives it a fantastic fruity note, a tangy freshness and a nice spiciness paired with some sweetness. A beautifully rounded aromatic single malt for those who consume sustainably or simply want to enjoy an aromatic dram. Langatun Old Woodpecker Swiss Single Malt Whisky was awarded a 96 Point Rating and the Liquid Gold Award from Jim Murray's Whisky Bible.

### RATINGS

**96 Points & Liquid Gold Award, Jim Murray's Whisky Bible:** "Pretty much the near perfect wine cask nose... Elsewhere vanilla wafers and barley add to the mix, as does the ulmo honey, but the juiciness is all about the young barley, as it should be. Light spices and vanilla. But aren't those creamy sultanas lovely. Creamy and dreamy, not sure if the sweeter notes could be more beautifully in tune."

**Tasting Notes:** Aromas of fine sweetness, reminiscent of candied orange peel. Beautiful fruity notes, caramel, with balanced tannins, light chilli chocolate notes. Fine lingering oak finish, with notes of caramel.
