

SULLIVANS COVE *Distillery*

American Oak Single Cask Australian Single Malt Whisky

Sullivans Cove Tasmanian Single Malt Whiskies are finally available again in the American market via Anthem Imports! Founded in 1994, Sullivans Cove is Australia's most awarded single malt whisky distillery, having won three "World's Best" titles at the World Whiskies Awards. Distilled from 100% Tasmanian malted barley in tiny batches on our unique pot still, our whiskies are rich, rustic and full-flavoured. Aged for many years in full-sized casks, our whiskies are also on average the oldest in Australia, lending texture and depth of flavour unmatched among Australian whiskies. Aged for 10 years in a single, 200-litre American oak ex-Bourbon cask, this whisky is the defining style of Sullivans Cove, and Australia's most awarded whisky. Bottled at 47.5% abv, this bottling is all about fine stone fruits, oak and vanilla on a wonderfully textural base.
