

# SULLIVANS COVE *Distillery*

## Old & Rare American Oak Single Cask 17 Year Old Australian Single Malt Whisky

Sullivans Cove Tasmanian Single Malt Whiskies are finally available again in the American market via Anthem Imports! Founded in 1994, Sullivans Cove is Australia's most awarded single malt whisky distillery, having won three "World's Best" titles at the World Whiskies Awards. Distilled from 100% Tasmanian malted barley in tiny batches on our unique pot still, our whiskies are rich, rustic and full-flavoured. Aged for many years in full-sized casks, our whiskies are also on average the oldest in Australia, lending texture and depth of flavour unmatched among Australian whiskies. The Old & Rare designation is reserved for our whiskies that have been aged for a minimum of 16 years. Considering the modern Australian whisky industry is less than 30 years old, and the climatic conditions here are far warmer than Scotland, a 17 year old whisky is a huge achievement and a rare piece of Australian Whisky history. These whiskies also exhibit unrivaled depth and complexity, while still possessing the unmistakable brightness of Sullivans Cove's unique spirit. Bottled at 47.6% abv, single cask HH0481 has notes of pine forest after rain, banana cream pie and fine leather on a rich, sweet base with incredible length and texture.
