

JIU HAI BU GAN

Tibet Pure Single Malt

At more than 2,500m above sea level, on The Tibetan Plateau, is the birth place of JIU HAI BU GAN, the Tibet Single Malt.

Made from the world renowned Tibetan barley, malted, mashed and fermented with the softest pure water flowing from the Himalaya rivers and under the action of indigenous yeasts carefully kept under the shadows of a Tibetan monastery, JIU HAI BU GAN is distilled and aged with a know-how dating back from more than 400 years, giving to this Tibetan Single Malt an extraordinary elegance and aromatic richness.

The making of Jiu Hai Bu Gan Meido aged 12 years:

Double distillation of a selection of winter barley harvested on the Tibetan plateau at the end of the blossoming season of the flower peony, worshipped under the name Meido by the Tibetan. Matured in Ex-bourbon casks and French oak casks for 38 months after 9 to 30 years of ageing in porcelain amphora. The aging process for this whisky took place inside a monastery built by the 3rd Dalai Lama. **With only 306 bottles available for the U.S. market, this release is truly a unique offering.**

Technical Details
